JOINT MOTION TO CONTINUE TRIAL

Plaintiff the United States of America, for the use of Robert J. Cummins, d/b/a Bob Cummins Construction Company's ("Plaintiff") and Defendants Zurich American Insurance Company, Fidelity and Deposits Company of Maryland, and Keller Walls, Inc. (together, "Defendants") respectfully and jointly move the Court to continue the trial currently scheduled for October 24, 2022, to any of the following dates which the parties confirm are presently open and available for each side:

- November 8, 2022¹
- January 9, 2023
- January 16, 2023

The parties further ask that the Court to extend the pretrial deadlines as set forth in the court's May 11, 2022 order to commensurate with the revised trial date.

¹ A starting date of November 7, 2022 could also work for the parties should the Court prefer to start trials on Mondays.

The Parties request this continuance due to a scheduling conflict for lead counsel for Defendants. Attorney Richard Kalson is scheduled to be in an American Arbitration Association full hearing in the matter of *Corrosion Resistance LTD v. Spider, a Division of Safeworks, LLC*, case number 01-21-0016-7974, from October 24, 2022 through October 27, 2022 and resuming again October 31, 2022 through November 2, 2022 (see attached **Exhibits A and B**). The scheduling order therein was issued on February 9, 2022.

The Parties also respectfully request that the Court extend the dates in the May 11, 2022 order's schedule—i.e., the dates for pretrial statements, motions *in limine*, proposed jury instructions, etc.— to reflect the new trial date. The Parties' proposed modifications to the Order will not prejudice the Parties and will not adversely impact the administration of this lawsuit.

This Joint Motion is not interposed for the purposes of delay, and this continuance will not prejudice the parties. Counsel have conferred with the court's deputy as to the newly proposed trial date. A Proposed Order granting this Motion is attached hereto.

Dated: June 2, 2022

Respectfully submitted,
